

Create lifelong customers with CoreHome

- ✔ Provide customers, leads, and contacts with a fully personalized experience to support their home search and homeownership needs.
- ✔ Push notifications for the most updated information from the MLS or you, the agent.
- ✔ Customizable valuations to get the most accurate and current information about a customer's property.
- ✔ Create engagement and value after the transaction closes with new homeownership tools.

Engaging at Every Level of the Homeownership Lifecycle

My Home

Real-time alerts around home value, detailed local market data, and mortgage.

My Favorites

Enable consumers to view saved searches and suggested homes while staying top-of-mind.

My Search

An intuitive, addictive home search experience tailored to the client's wants and needs.

My Move

Valuable tools for clients to view move progress, complete checklists, and receive service referrals.

My Transaction

Transaction tracking keeps your clients on-task, and closing on time.

My Maintenance

Homeowners track home maintenance needs and can request your preferred service vendors.
