

# Win the buyer, win the listing, win the offer, and wow clients *every time*

Present is the next-generation CMA and presentation builder that helps you guide clients through an interactive and compelling pricing discussion for both potential buyers and sellers. Using a single, intuitive tool, you can create an engaging CMA in under a minute or build a fully-customized, branded presentation with real-time activity tracking to ensure you win the representation, or win the deal, every time.

- ✔ Quickly create and view customized presentations on any desktop or mobile device with a completely redesigned home-page for effortless presentation prep and performance tracking.
- ✔ Show unique, big-picture pricing that combines multiple pricing perspectives in a single view.
- ✔ Become the go-to Buyer's Agent with the "Win the Representation" format to demonstrate value with educational slides like "Purpose & Importance of a Buyer's Agent" and "Buyer's Agent Compensation."
- ✔ Work interactively with buyers and sellers anywhere and make changes on the go.
- ✔ Effortlessly tailor designs to reflect the needs and nuances of your client.
- ✔ Deliver your presentation live, digitally, or printed.
- ✔ Robust client behavior tracking shows what matters most for follow-up.
