

Get More Leads From Your Listings!

PropertyBoost automatically turns your listings into high performing Facebook Ads that generate qualified leads with real contact information! At an average cost of less than \$8 per lead, PropertyBoost is the simple, seamless way to promote your listings while fueling your pipeline with prospective buyers and sellers.

With over 400 million impressions and 3 million leads generated for over 100,000 repeat customers, PropertyBoost is the most popular advertising solution in BoldTrail Marketplace. Start generating leads today with PropertyBoost.

Setup and launch ads in less than 60 seconds

- ✔ **Unique algorithm targets an audience interested in listings like yours - 350x more views* than a regular post!**
- ✔ **Built-in lead generation form captures emails and phone numbers**
- ✔ **Leads are automatically added to your BoldTrail account for easy follow-up**

*Based on average results from a 7-day PropertyBoost. Results may vary.

Demonstrate added value and wow your clients with performance metrics to show how you're actively advertising their listing!

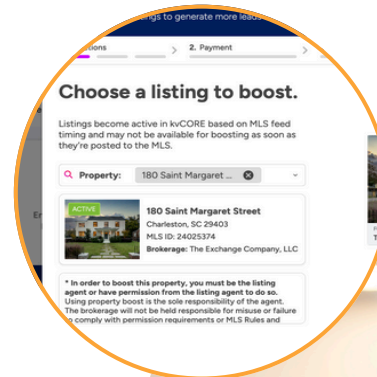

“ I love the convenience of the ads, **with a few easy clicks it is done.** I also enjoy the lead generation system. **This system allows me to see how well my ad is doing.** ”
