

# Create Lifelong Customers with CoreHome

- ✔ Provide customers, leads, and contacts with a fully personalized experience to support their home search and homeownership needs.
- ✔ Push notifications for the most updated information from the MLS or you, the agent.
- ✔ Customizable valuations to get the most accurate and current information about a customer's property.
- ✔ Create engagement and value after the transaction closes with new homeownership tools.

## Engaging at Every Level of the Homeownership Lifecycle

 <p><b>My Home</b></p> <p>Real-time alerts around home value, detailed local market data, and mortgage.</p>	 <p><b>My Favorites</b></p> <p>Enable consumers to view saved searches and suggested homes while staying top-of-mind.</p>	 <p><b>My Search</b></p> <p>An intuitive, addictive home search experience tailored to the client's wants and needs.</p>
 <p><b>My Move</b></p> <p>Valuable tools for clients to view move progress, complete checklists, and receive service referrals.</p>	 <p><b>My Transaction</b></p> <p>Transaction tracking keeps your clients on-task, and closing on time.</p>	 <p><b>My Maintenance</b></p> <p>Homeowners track home maintenance needs and can request your preferred service vendors.</p>
