# Present

Win the Buyer, Win the Listing, Win the Offer, and Wow Clients Every Time

Present is the next-generation CMA and presentation builder that helps you guide clients through an interactive and compelling pricing discussion for both potential buyers and sellers. Using a single, intuitive tool, you can create an engaging CMA in under a minute or build a fully-customized, branded presentation with real-time activity tracking to ensure you win the representation, or win the deal, every time.

- ⊘ Quickly create and view customized presentations on any desktop or mobile device with a completely redesigned home-page for effortless presentation prep and performance tracking.

- ⊘ Show unique, big-picture pricing that combines multiple pricing perspectives in a single view.

- ⊘ Become the go-to Buyer's Agent with the "Win the Representation" format to demonstrate value with educational slides like "Purpose & Importance of a Buyer's Agent" and "Buyer's Agent Compensation."

- ⊘ Work interactively with buyers and sellers anywhere and make changes on the go.

- ⊘ Effortlessly tailor designs to reflect the needs and nuances of your client.

- ⊘ Deliver your presentation live, digitally, or printed.

- ⊘ Robust client behavior tracking shows what matters most for follow-up.
